

WEATHER FACTS.

WASHINGTON, Sept. 1.—Ohio: Fair weather, warmer.

SPRINGFIELD, O.,

Sept. 1, 1887.

TO THE POINT

"Climate?" asked the native in response to an inquiry. "Well, it's about eight months winter, and the rest of the year it's blanketed late in the fall." It is still early in the fall here. In fact, it is hardly fall at all—just a little "slip," so to speak, instead of fall.

SLIP OR FALL.

In either case it amounts to the same thing. If you slip you are bound to fall. We are all bound to "fall" this year, and in no long time. The best thing to do is to "slip" into The When and get ready for the "fall." We are ready for you. Whether you want a full suit or only an odd coat and vest or an odd pair of trousers, we have them all. These latter we are selling at a very low price, because they are odd. They are as well made in every way and will prove as serviceable as a full suit.

We have more boys' and children's clothing than all the other houses in the city combined. New and nobby patterns retailed at wholesale prices.

TWO DAYS OF RAIN.

A Flood Devastates the Vicinity of Morgan, Texas—Loss of Property and Human Life.

Attempt to Wreck an East-Bound Train on the I. & N. R. R.—S. Collector Arrests a Canadian Steamer at Suspension Bridge.

By the Associated Press.

CHICAGO, Sept. 1.—A Times special from Morgan, Texas, says: The hardest rain that ever fell in this county began Tuesday night and has continued without cessation until the present time. The damage to farmers in the low valley lands in every portion of the country is estimated at thousands of dollars. The Texas Central, Gulf, Colorado and Santa Fe railroads are badly damaged and it will be many days before either can move their trains. Nine business houses, with all their goods, went down the Bosque river. Also three cotton gins and nine residences were washed away. Every house in town was damaged. At Meridan a man was drowned trying to save the contents of his house. Eleven bridges were washed away. The loss to the railroad is over \$100,000.

Attempt Made to Wreck an East-Bound Train.

CHICAGO, Sept. 1.—A special from Pekin, Ill., says: A bold attempt was made last evening to wreck the Indiana, Michigan and Western east-bound passenger train that left Pekin at 8 o'clock. At Leaside station, six miles east of this city, the east and west-bound passenger trains are due at 8 o'clock. A large stone, weighing a couple of hundred pounds, was placed between the rails of the main track. The east-bound passenger train had slowed up for a passenger for Leaside station, when the engine struck the stone, throwing it over the forward track left the track. The train was delayed nearly an hour. The only theory for this devilish work is that of a design to rob the train.

WHITE CAPS.

Take the Control of the Community Into Their Own Hands.

CINCINNATI, Sept. 1.—A special from New Albany, Ind., says that on Tuesday night a gang of lawless men in Spencer township, Harrison county, calling themselves "White Caps," took from his bed John Hildebrand, a popular citizen who last April was elected justice of the peace by nearly a unanimous vote, and trying him on a charge of having committed a crime. The men, who were armed with clubs and pistols, took him to their place of meeting and there, after a long and cruel trial, they sentenced him to hang. The men, who were armed with clubs and pistols, took him to their place of meeting and there, after a long and cruel trial, they sentenced him to hang.

AN EXPLOSION.

A Man Literally Blown to Pieces.

CHICAGO, Sept. 1.—A Times special from Loganport, Indiana, says: A terrible accident occurred on John Hill's farm, about four miles east of here, yesterday, by which Henry Pletcher lost his life. He was blasting stone with dynamite and had about fifty cartridges in his possession. By some unknown means, they all exploded and Pletcher was literally blown to pieces. Pletcher came from Elkhart, where his parents reside.

A LITTLE OFF.

The Absconding Savings Bank Clerk De-raught.

SACO, Me., Sept. 1.—Some friends of Frank C. McNeill, the absconding clerk of the Saco Savings bank, think that he is deranged. They say he has been acting very queerly and has complained of head trouble, but he has been living beyond his means ever since he worked in the bank.

NEW YORK, Sept. 1.—It is announced that T. V. Powderly, general union workman of the Knights of Labor, will proceed to Ireland in October to take an active part in the national movement. METHODISTS AT MECHANICSBURG.

Proceedings of the First Day's Session of the Cincinnati Conference.

MECHANICSBURG, O., Sept. 1.—Ministers and laymen to the thirty-sixth annual session of the Cincinnati conference of the M. E. church have been arriving on all trains ever since Sunday and today the plug hats and conventional ministerial dresses were not an uncommon sight when you take into consideration that there were fully 300 on the streets. The city hall has been selected as the place to hold the sessions and transact the business with the exception of a few class rooms in the church, where the committees will meet. The church is hardly big enough to accommodate the ministers and visitors. There was an attempt made in yesterday morning's session to have the meetings held in the church, but it was voted down. The roll call showed that several ministers and lay delegates had not arrived. The thirty-sixth annual session was opened Wednesday morning with Presiding Bishop E. G. Andrews in the chair, who read from the twelfth chapter of the Book of Exodus and the ninth chapter of the Epistle of Hebrews. After reading, the congregation joined in singing the 39th hymn. The holy sacrament of the Lord's supper followed.

The conference proceeded to business by electing S. O. Royal, of Dayton, secretary and G. W. Hammett, statistical secretary.

Dr. J. F. Marley, of Xenia, announced that he had received from the conference of the late Dr. Moody a draft for \$100, to be appropriated to various charitable purposes. Dr. Marley was requested to convey to the family the thanks of the conference.

A message of regret at the illness of Bishop Harris, of New York, was also telegraphed. At the same time, a letter from Mrs. Frank Bemas and children are being sent to Piquette, Mrs. J. F. White at Xenia.

Rev. C. J. Burkert is returned here for the third year, which gives great satisfaction. Rev. J. B. Doughman, of Warren Co., is visiting friends here. He has just returned from the U. B. Conference at Brookville, where he was in Springfield, Warren Co., for the ensuing year.

Joe Warner and family left on Tuesday for their southern home at Interchen, Florida. He still retains his residence here, so that in case he wants to return, he will have his home. Mr. Alden Cook will occupy his residence.

Rev. S. W. McCorkle, who recently moved to Denver, Colorado, is very much disappointed in that country, the climate being so great that he and his wife have both been sick continually since their arrival there. He sent word to conference to give him a place again in this conference, so he was appointed to Arcanum, Darke county, and will soon move back to that work.

The appointments for the Dayton district, to which Lagonda belongs, are as follows: Presiding elder, Rev. S. W. Keister; Assistant, Rev. S. W. Keister; J. P. Shepherd; Dayton, S. First conference, C.
